**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please continue to allow competitive local exchange carriers to flourish by maintaining their access to local copper-wire phone infrastructures. Do not force me to limited internet access with only the large providers at higher prices and frustrating service. Keep the provisions in the 1996 Telecommunications Act to provide me more choices and allow local providers to compete with better prices and services! Thank you,

Douglas Robinson
