**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I subscribe to Sonic for internet and phone service for my home and small construction business in San Francisco. I support using a local company when possible, and Sonic provided me with their new broadband for better rates than my previous provider. Sonic has great customer service, and the new fiber network they wired in my neighborhood facilitates faster speeds.
