**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to keep my internet provider. Let the free market run its course. The big companies are not providing the best service so they should step up instead of using the government to shut competition down.

It's critical to have other businesses get the chance to be innovative and provide alternative choices for consumers.
