**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Please do not take away the competitive system we have now! I enthusiastically support broadband competition. I get much better service from my competitive broadband provider than I received from ATT. Broadband internet has become a necessity to my business, and I'd be lost without the technical help I get from my local provider.
