**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural area and only have access to a local internet provider. I cannot use ATT or Comcast. Please do not restrict our local provider as it will jeopardize the quality of our service or potentially eliminate it altogether. This is unfair in our rural areas, compromising many rural residents to enrich the large corporations. Do not destroy our local broadband provider.
