**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support small businesses like Sonic because the large corporations have too much control allowing them to provide terrible internet service and customer service. I believe the 1996 Telecommunications Act is critical to maintain competition in the market. I respectfully urge you to reject the USTelecom petition and maintain broadband competition.

Thank you
