47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I like my small internet provider Sonic. They provide great service at better price than AT&T. I am a psychologist, and need broadband for long distance work and education.

Sonic has been a much better service provider (Both phone and internet) than AT&T all around, cost, speed (mbps), customer service and hopefully soon, they will provide fiber optic in my neighborhood.
