**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who support broadband competition.

Without business like Sonic.net, I would be stuck with bad pricing from AT&T or the worst customer service from Comcast.

For those that can't afford to price gauging from big telecom, destroying competition would probably cause the less fortunate to loose broadband service.

Please do not take competition away.
