**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to have a choice of my internet provider, not just one monster company that grabs all the business. Competition is good for the the consumer and keeps businesses on their toes.

More providers also help keep prices down for consumers. My alternative internet service also has phone service which I like.

I strongly oppose the US Telecom petition!!! I support broadband competition!!!

Thank you,
