47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

How is it possible that you want to limit competition - prevent independents like Sonic from access to provide services when it's exactly them who force the big carriers to provide competent service or be overlooked for a better competitor. There is no benefit to limiting access to ILECs facilities and home and business subscribers will be materially affected.
