**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need more competition, not less. We are re-creating large semi-monopolies and I do not support this diminution to competition. I picked a smaller ISP in order to provide alternatives to the "big guys ". Their service had been substantially better than what I received from ATT and Comcast. Allow smaller competitors to grow in a manner similar to the way MCI was able to grow using ATT's infrastructure.
