**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please protect the free market and give small operators a chance to compete with the big guys.

For the past two years I have been serviced by a small local broadband provider and I have received the best service at the lowest price.

The big operators always promised stuff; never delivered. And why should they if at time I had no other choices.
