**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a small ISP that likely would be forced out of business if you further limit broadband competition in favor of the big players. This small ISP is much better up time than any other provider I have ever used, with real, live people to help if you ever need it. They take customer service seriously, unlike the bigger, more well known ISP's.
