**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My local ISP has been my choice since 1997. Comcast and ATT have terrible performance compared to Sonic.NET. I have cheaper internet and phone service that is vastly Superior to any competition. I have fiber, they don't. They won't offer it anyway.

My local ISP wouldn't be able to offer me fiber if ATT cuts them out of the infrastructure they use. It clears the landscape of competition, and that's bad for all of us. ATT did it with DirecTV already.
