**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want access to Sonic fiber. Sonic provides a great service. I dont want ATT and Comcast to have all of the power to over charge and under serve my usage of the internet. The city that I live in wants to slow Sonic from putting in a fiber network and only let ATT and Comcast replace a new network in a part of the city that was burned to the ground. I like competition no price hikes.

Broadband is now critical in my life.
