**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

America is about free markets, which in turn bring competition and lower prices for all.

I am a small business owner. Small businesses are the backbone of this country.

By making it harder for competition and smaller businesses, prices will rise and choices will be more limiting.

That is not in the American spirit.
