**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have fiber today, but was previously connected with competitive DSL. Having a competitive provider made a good difference. I want broadband competition!

Competition reduces the price hikes that increase the cost of my internet and telephone services. On a senior's fixed income, this is very important... every year!

And lastly, Internet service, even with my Fiber Optic connection... Is quite SLOW compared to numerous other parts of the World! Good competition will fight to Improve Speeds and Capacity.

Thank you for your attention in this matter.

Sincerely,

Peter Lee
