**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Without the freedom to choose a competitive provider this would ultimately lead to monopolization and increase internet/usage package rates. I'm the head of household, only source of income and feeding 6 mouths. The freedom to choose keeps monthly bills down for my family without sacrificing connection speeds.
