**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

In these times of greater technology dependency, we need more competition, more internet service providers, more price reductions, and more local improvements such as fiber replacing DSL.

As a guardian of the public good, I am counting on you to allow my local internet provider to compete with near-monopolies to give me inexpensive service. Thank you!
