**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support consumer choice and efforts to stop the USTelecom petition. We need more competition not less. If passed, this petition would dismantle critical components of the 1996 Telecommunications Act, disabling competition and will reduce consumer choice. Companies like Sonic are proof that excellent service and competition are what consumers want. More choices and options are what make a marketplace thrive. Too much control in the hands of few leads to poor service and higher prices. I am opposed to the USTelecom petition.

Sincerely,
Concerned consumer
