**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have news...I subscribe to a local telecom provider; actually, I use 2 different local providers (one for e-mail and one for internet). I prefer the local providers because of the superior and timely support and far superior customer service they provide!

So I hope you see the fake claims of those who represent the BIG companies in order to weaken the Telecommunication Act that protects the consumer and small companies. I have no desire to return to the era of no choice!
