**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please conserve the competition that allows for multiple providers of broadband. With the end of the Net Neutrality laws, we have seen clear, negative change in the service that we received first from AR&T and now from Verizon.

For our home Broadband service, we have opted to use a small, local company because we became frustrated with AT&T. The price with AT&T varied and was unreliable. In the end, we choose to use small, more expensive, a local provider that could offer better customer service and had a consistent price month to month.

Sincerely,

Dougals Evans
