**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural community where there are no cable providers so the local broadband providers are very critical to me. Sonic.net is my provider and the only provider that has worked well in my area and I do rely on there services.

Pricing is another important factor, I can't afford At&t, Sonic's pricing is fair and their services far better than At&t.

I definitively oppose this petition.

Thank You,

Ulla Kiriakopolos
