**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider for the simple reason that they were able to offer the same service at a better price and with better quality customer service. Competition is part of the American way and, without it, big corporations can price gouge the American people who don't have a choice of providers. I am a consumer who supports broadband competition and i ask you to represent me.
