**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am currently using a competitive internet/telecom provider, their access to my home is only available by allowing access to unbundled network elements.

Having competition in our local market is so important, without the ability of my carrier to have continued access to these network elements is crucial for my carrier to provide a cost competitive service.

I oppose any effort to change the rules in section 251 (c) 3 that will impact access to unbundled network elements.
