**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We need competition in internet service and regulations that enable small companies like Sonic.net that offer excellent service and excellent customer support to stay in business.

Competition to offer the best goods and services is good for all of us. Monopolies hurt all of us.
