**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a retired widow living on a fixed income and have been extremely pleased with the service (land line and internet) for half of what I was paying prior to getting Sonic a few years ago. Reducing my monthly bill by half, with very little increase in price, is what I demand as a customer!

Limiting competition will force me to go with one of the corporate giants paying so much more. I have fiber today where as before I paid more, much more, for DSL connectivity.

Please consider lower income and retired households when deciding to eliminate competitive field.

Thank you,

Carolyn Harrison
