**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We rely on Sonic and their team to keep our business running. We do NOT want legislation passed which would make business difficult for Sonic and ourselves. Broadband is critical to our small business operations.

The Sonic team is much more responsive than Comcast or AT&T. We aren't just another annoying customer to them. It is a breath of fresh air in the telecom world. Please fight for competition like Sonic!
