**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am writing to you to let you know I support broadband competition. and that I am a senior on limited income and have actually lost a third of my income in the last year. I have been with Sonic.net for several years and truly appreciate the service they provide. In the past I had used Verizon, A T & T and Comcast and truly prefer Sonic.net. Please understand that there is a great need for quality service at an affordable price and Sonic.net provides it. Please don't forget or ignore the "little guys" as we matter too.

Thank you for your consideration in this important matter.
