**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner in San Francisco, California. I am writing in support of broadband competition.

As a small business just starting out having options of reliable, fast communication service is critical for success. Keeping overhead low and having options to choose the best fit for my growing business is an option I strongly believe is a positive cost effective way to run my practice.

Thank you for your time and I hope you are able to keep competition of great internet and phone service a continuous reality.
