**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We currently have a broadband internet provider with amazing customer service that is locally owned and operated. Their phone and internet service is very competitive. Please do not allow this affordable and convenient internet connection to slip away. Being on a limited income this service is very valuable to us and we rely on it's affordability and availability to stay connected to others. Don't allow major carriers to shut down competition. Thank you for your consideration.
