**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and went from Comcast to Sonic and love it! We need the competition of multiple vendors for internet providers to help keep our costs down as well as our choices up! We do not want more price hikes on our monthly bills! Internet is critical to our because this is how our kids access their school, learning, and our TV is streamed. Sonic has been such a blessing once it became available in our area and has helped us get awesome internet service at a reasonable price.
