**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

The people need competition in broadband service, there are already too many monopolies limiting choice in many segments of business!

It today's market broadband is a necessity and I want choice instead of being at the mercy of huge corporations that will price fix and raise prices!

Please help to foster competition!
