**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. My current provider, Sonic gives me better service and more services at a lower price than my previous provider. I am retired and keeping down the cost of phone and internet is very important to me. We are dependent on fiber because we lost DSL when our previous provider moved its central office further away. We could not manage without internet and phone because we need them to communicate with family, friends and the organizations for which we volunteer. Please STOP Big Telephone companies like AT&T from raising prices and cutting off competition.
