**Re: In the Matter of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a customer of Sonic Internet because they will protect my privacy. They have a strong record of pushing for fairness that the large providers do not and their rates are more reasonable. They do not practice the abusive tactics of the larger providers, who hike up rates in the background.

I rely on the high speed internet for my work and cannot execute my job without it. Having a competitive market ensures that I have high quality service at a fair price.
