47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My family uses Sonic for our internet connection because we were not happy with the service at AT&T and Comcast.

It is very important to support broadband competition (UNEs).

We have been at our current location in San Francisco for over 30 years. We were here when Sonic entered the market with DSL service and really appreciate it that they have led the move to fiber.

Thank you,

Mario Guttman
