**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We like having a competitive provider and without we would be stuck with the larger providers that don't care about you and are another number in their bucket. With Sonic being a smaller provider we get better service, better customer service and broadband like it should be. We do not want any price increases as this was the reason of going with Sonic. Lower priced internet but with awesome speeds. Broadband is very critical to us as I work from home a lot. Previously we had cable internet and now we have fiber internet from Sonic.

Thank you,
Derek
