**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I oppose the USTelecom Petition. I subscribe to Sonic's DSL and have enjoyed faster speeds at lower prices what the main telecoms have for service.

This country needs more competition, not less. Any economist can tell you that less competition means higher prices.

Please support broadband competition by not dismantling key components of the 1996 Telecommunications Act.
