**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a new customer of Sonic. I have been very happy with the internet (fiber) service that they provide without limiting the amount of data usage. Secondly, the performance and reliability have been solid. And most importantly, we get better performance at a lower price than Comcast or AT&T. I am writing to let you know that we need competition in the marketplace for the consumers. For a long long time, Comcast was the only choice in our area and the price was ridiculously high. With completion now, both Comcast and AT&T have been sending us letters of special offer with much more affordable pricing.

Thank you for your time.
