The California Public Utilities Commission and the People of the State of California (California or CPUC) submit this motion for acceptance of late-filed comments in the above-captioned docket. These reply comments were due on August 30, 2019. Because of the press of other work and overlapping summer vacation schedules for key CPUC staff, we were unable to make the August 30th deadline. The undersigned counsel pledges that CPUC staff did not incorporate here reference to or responses to any other party's comments. We apologize for any inconvenience this may cause the FCC or other parties.

Respectfully submitted,

AROCLES AGUILAR
