**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are residential customers in San Francisco, who love our fiber service from Sonic. The service has been much more reliable than our previous ISP, and with higher bandwidth at a reasonable cost. We are retired, and are concerned about increasing prices for internet access if our company is forced to pay higher access charges.

Thank you for listening to the small residential user.
