**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I chose Sonic simply because they offered great prices and service, and is a local business ran by someone I went to elementary school with. When you call you talk to local people who understand your needs. I also get my phone services through them and it's much more pleasant than using a larger company who constantly raises rates and tips you off.
