**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is the hallmark of America enterprise system. Don't allow the big companies to stifle what makes America what it is. Local broadband networks are also extremely important to rural areas. We have fought monopolies for centuries and must continue that fight.

What's the matter with you??? You are here to serve the people, not large corporations.
