**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I currently receive my phone service, including long distance, and my Internet service, from a company that connects through the current DSL network. Without the availability of unbundled copper lines, this service would be impossible. Please do not allow the removal of this resource from the telephone infrastructure. I believe that its continued availability will encourage healthy competition among telecommunication service providers.
