**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Companies like Sonic are the best thing to happen in the ISP world in many years. The big companies have had a monopoly for many years and its finally time for that to be broken up. We have to have broadband competition in this day and age. Its criminal how companies like AT&T and Comcast have been allowed to keep prices so high and control the market.
