**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition.

ATT could not figure out how to make the wireless work in my flat in SF, as well as Comcast. My flat is long and narrow; webe always had challenges getting coverage across the entire home.

When I I asked ATT to help (Comcast too) they smaller company Sonic was able to come to the rescue.
