**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a consumer, I deserve the right to choose between competitive providers. When it comes to my ISP, I very much want to be able to exercise my freedom to choose, and I choose Sonic, because they are the BEST!

You know why they are the BEST? Because they are competing with the crappy service from the other guys. You know why thats good? Because it encourages the crappy service providers to try to make their product better. Also, it gives me a non-crappy option for my internet, which is critical for my home-based business.

However, instead of doing the it all-America way, by making their own product competitive, they are just seeking to put their competition out of business.

Dont let this happen!!! Keep America Great by keeping the playing field level!
