**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. My name is Cindy, I am 57 years old and on permanent disability due to the progression of my nueromuscular condition. I will never be able to work again. My time is occupied online - using Twitter, Instagram, Facebook and search engines. It's very important to me to be able to choose my internet provider. Since I'm low income I rely on affordable, reliable coverage. I can't afford cable so I stream t.v. and movies. Having access to Sonic for internet and t.v. (through my Roku stick) is critical. No more unreasonable price hikes, those are the reason I quit Comcast Xfinity. Thank you.
