**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competitive fiber providers give great options at affordable prices. Price hikes are unacceptable. More competition means better service which is good for everyone, not just Comcast. Competitive DSL is important for rural communities as well. Please stop the stop the USTelecom petition and save competition.
