**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who definitely supports broadband competition. I have chosen a competitive provider and have been with them since they started their service over 25 years ago. Sonic has consistently given the best internet service in the area and it would be a shame to lose it to a large company. We need competitive services.

Sincerely,

Jerilyn Weeks
